Ernst & Young Global

RE: Experienced Analyst for hire

Dear Hiring Professional,

Throughout my career, I have contributed to impacting business outcomes through effective organization, prioritization, and execution of key projects. My skills and qualifications are an ideal match to the Analyst requirements and will bring immediate value to Ernst & Young Global goals.

Previously, in my Team Member role, I exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups. Additionally, I am knowledgeable in statistical analysis and analyzing financial data with proficiency in identifying opportunities.

Because my professional goals align with Ernst & Young Global's mission and values, this opportunity is especially exciting. I believe my decision-making, problem-solving and time-management abilities will support and drive your continued organizational success.

To demonstrate the scope of my career history and professional competencies, please take a moment to review my attached resume. I appreciate your evaluation of my credentials and subsequent response.

Sincerely,

KALPIT GAJJAR
